Date: March 15, 2012

To: Division of Oil, Gas and mining

From: Louis Pratt

Subject: Mining Permit

Kane County and the Utah Department of Natural Resource Conservation Service, NRCS will be letting to bid several EWP, Emergency Watershed Projects along the East Fork of the Virgin River through the towns of Glendale and Orderville to stop further erosion and damage to surrounding farm land and infrastructure.

Please find the enclosed permit and fee to open a small mining site located on private property to allow the chosen contractor a viable location to remove volcanic rock for stream bank protection as designed by NRCS.

Kane County is the sponsor of this project which is funded by NRCS EWP funds.

Cultural resource will be looked at by NRCS this week for any concerns.

Please contact myself for any information regarding this application.

Sincerely

A handwritten signature in black ink, appearing to read "Louis L. Pratt Jr.", written over a horizontal line.
